Paper Lantern Décor Package adds drama to your event...

Rembrandt Yard's Gallery, with its Asian inspired accents, looks particularly lovely when decorated with paper lanterns.

Due to the popularity of paper lanterns, Rembrandt Yard is now offering a complete lantern decor package that is both affordable, and convenient.

With several color combinations to choose from, we can compliment your color scheme. You can choose to leave the lanterns un-illuminated for a soft, subtle look, or light some – maybe just the ones over the dance floor – for added drama at your event.

Rembrandt Yard's paper lantern package includes the rental of over 100 lanterns, as well as the time and insured labor needed to hang the lanterns, all before your rental time begins.

At the end of your event, we will remove the lanterns for you. Since the lanterns are a rental item, you don't have to choose between beautiful decor, and being eco-friendly.

Eco-friendly & Elegant Custom Centerpieces

Looking for an easy solution for attractive, eco-friendly centerpieces? Rembrandt Yard is now offering custom centerpiece design that is both convenient and affordable.

Rembrandt Yard has a large collection of Antique glass bottles, mason and sundry jars, hurricane lamps, and an assortment of silver and crystal candlesticks. By combining pieces from our collection with potted flowers or herbs, and candles you provide, we can create a unique, elegant vignette for each table.

No waste, nothing goes into the landfill, and no figuring out what to do with centerpieces after your wedding! Potted plants or herbs make thoughtful gifts your guests will be able to take home and plant in their gardens.

Centerpiece design starts from just \$25.00 per table, and we'll work with you to create a stunning, custom look for your special day.

Guidelines for hosting your event at Rembrandt Yard

Caterer

All events at Rembrandt Yard must be professionally catered by a full service catering company. Rembrandt Yard has a list of approved caterers that can be found online here: www.rembrandtyard.com/approved.html Caterers on our "Recommended" list have catered numerous successful events here at Rembrandt Yard, and are very familiar with our venue and policies. Caterers who are familiar with our venue and our policies are better prepared to help you with the planning process. The caterers who appear on our "Approved" list have catered at least one event at Rembrandt Yard, and meet the requirements to cater events in our facility.

If your prospective caterer is not on our list, please make sure to pre-approve them with us prior to booking.

Event planning & management

There is an in-house manager on duty during your event. The manager will work closely with your caterer, and other hired vendors to help to insure things run smoothly from start to finish. We know the process of selecting the right vendors can be daunting, so please know that we are happy to help. Rembrandt Yard has several highly recommended event planners listed on our web site if you feel you need more guidance than your caterer can provide.

Alcohol

At Rembrandt Yard you may bring in your own alcohol to serve at your event. As a private party you are allowed to serve alcohol to your guests as long as drinks are given away free of charge, and you guests are 21 or over. Alcoholic beverages must be served by a licensed and insured caterer who is required to follow all State and Federal laws. Service of alcohol can take place for up to, but not more than 5 hours, and must end at 1:30 am, or 30 minutes *prior* to the end of your event, which ever comes first.

Event Time

We offer both half-day, and full-day packages, so you can choose which one is right for you.

Set-up, Deliveries, and clean up.

Set-up for your event, deliveries from your vendors, and post event clean-up needs to take place during your reserved time. We can help you determine how much time you need by talking with you about the details you have in mind for your wedding day.

Pre-Event Walk Through

2 to 3 weeks prior to your event, a pre-event walk through will be scheduled to go over your event details. This meeting should include you, your caterer, and a Rembrandt Yard manager, and any other people involved in the detail planning of your event. This meeting takes place to help insure that all vendors are on the same page, and have the information they need to make sure your event is the way you envisioned it to be. 1 hour is set aside for the pre-event walk-through, and is included with your rental of Rembrandt Yard.

Decorating

Rembrandt Yard is an art gallery, and art work will be on the walls during your event. Decorations may not be attached to the art, as it may cause damage. Due to potential damage to the art, certain items, like bubble solution or fog machines can not be used. Please check with Rembrandt Yard to make sure your decorations are safe to use in the gallery. Candles may be used on tables as long as they are in votive holders or other appropriate fireproof containers.

Rembrandt Yard's Recommended & Approved Caterers

Rembrandt Yard's recommended vendor list is a merit based list. None of the vendors have purchased a spot on this list, and they only appear here because they have provided exceptional services. The following vendors have catered at least 12 events, in some cases several hundred events, and know Rembrandt Yard's facility and policies. In our experience, a caterer who is familiar with our facility and policies can better help you to plan your event, and insure a smoother overall experience for your special day.
